Ceribell Position Statement: Access to Health

Access to Healthcare Statement

Our Commitment: At Ceribell, we believe our innovative medical technology should be accessible to as many patients as possible. We are committed to expanding access through:

- **Innovation for Efficiency:** We design our products to be cost-effective for healthcare systems, reducing the total cost of care while improving patient outcomes.
- **Nationwide Reach:** We actively seek to bring the Ceribell System to underserved markets and regions with limited healthcare infrastructure.
- **Educational Support:** We provide comprehensive training to healthcare professionals to ensure the safe and effective use of our technology, regardless of their facility's size or location.
- **Product Reliability:** We maintain a robust supply chain to ensure consistent product availability, minimizing disruptions in patient care.
